

User Story Number	User Story	Features	Checklist/Justification	Status (Completed/Ongoing/NA)
US-01	As a customer, I want to be able to successfully complete a purchase by making a payment using my preferred payment method, ensuring a seamless and secure transaction.	Successful Payment	ALREADY PART OF THE SYSTEM	COMPLETED
US-02	As a customer, I want the flexibility to choose from multiple payment options (credit card, debit card, PayPal, etc.) during the checkout process, providing convenience and choice.	Multiple Payment Options	ALREADY PART OF THE SYSTEM	COMPLETED
US-03	As a customer, I want assurance that my payment information is handled securely, and I want to see clear indicators of a secure connection during the payment process	Secure Payment Process	ALREADY PART OF THE SYSTEM	COMPLETED
US-04	As a customer, I want to receive immediate confirmation of a successful payment, including an order confirmation number and details of the transaction.	Payment Confirmation	ALREADY PART OF THE SYSTEM	COMPLETED
US-05	As a customer, I want to be notified immediately if a payment fails, and I want guidance on resolving the issue or choosing an alternative payment method.	Failed Payment Handling	PENDING	ONGOING

US-06	As a customer, I want a straightforward process for requesting and receiving a refund if necessary, with clear communication on the status of the refund.	Refund Process	PENDING	ONGOING
US-07	As a customer, I want the ability to make partial payments or pay in installments for larger purchases, providing flexibility in managing my finances.	Partial Payment Support	This feature is not applicable as the products that are being sold do not require large sums of money and thus do not need downpayment. Plus, in doing so reduces the risk of the seller to suffer losses when the product does not get fully paid for when dealing with installments.	NOT APPLICABLE
US-08	As a customer, I want the option to set up automatic billing for subscription services or regular purchases, simplifying the payment process for recurring transactions.	Automatic Billing and Subscriptions	PENDING	ONGOING
US-09	As a system administrator, I want the ability to easily integrate and configure different payment gateways based on business requirements, allowing for flexibility in payment processing.	Payment Gateway Selection	ALREADY PART OF THE SYSTEM	COMPLETED
US-10	As a customer, I want access to a transaction history that includes details of past purchases, payments, and refunds, providing transparency and record-keeping.	Transaction History	ALREADY PART OF THE SYSTEM	COMPLETED

US-11	As a developer, I want to perform integration testing with the chosen payment gateway to ensure that the system correctly processes transactions and handles various scenarios.	Integration Testing	ALREADY PART OF THE SYSTEM	COMPLETED
US-12	As a system administrator, I want to ensure that the payment gateway integration complies with Payment Card Industry Data Security Standard (PCI DSS) requirements to protect sensitive customer information.	PCI DSS Compliance	ALREADY PART OF THE SYSTEM	COMPLETED
